Bali / Hong Kong Conference Tour 2008

Our grand Bali / Hong Kong Conference Tour was a spectacular adventure to the Pacific Rim. Exotic, yet modern, Hong Kong boasts skyscrapers, sophisticated restaurants and magnificent shopping malls combined with street-side vendors and traditional markets. Bali is a scenic blend of tropical jungle, stunning beaches and a rich ancient culture.

Our Bali / Hong Kong Conference Tour included:

- Roundtrip airfare from Edmonton to Bali and Hong Kong to Edmonton
- 10 nights accommodation in Bali, 3 nights at the 5+ Star Payogan Resort in Ubud and 7 nights at the 5+ Star Bali Intercontinental Resort (Jimbaran Bay)
- 3 Nights accommodation in Hong Kong at the Miramar Hotel.
- Daily Breakfasts with some dinners & lunches included.
- Sightseeing Tours and transfers via private motorcoach with English speaking guides.

Located among the lush green hills of Ubud overlooking the Oos river valley, the 15-hectare **Payogan Ubud Bali Resort** captures the tranquility and the serenity of the region. Grand in style but maintaining privacy and seclusion, the villas are spread out across the resort on different levels of the two riverbanks that run through the property.

Secluded within the boundaries of the exclusive neighbourhood of Jimbaran Bay on Bali's southern coast, the **InterContinental Bali Resort** is set on 14 hectares of tropical landscape and an endless stretch of white sandy beachfront. The resort combines exotic, colourful ponds, a meandering lagoon and artistic stonework. An exceptional destination resembling a hospitable Balinese community.

The **Miramar Hotel** is strategically located in the heart of Tsim Sha Tsui – Hong Kong's entertainment and shopping hub. Thoughtful service at the Miramar is delivered with a personal touch with a 24-hour concierge. The contemporary guestrooms and suites are meticulously designed with vibrant colours, sophisticated textures and high-tech features. A choice of restaurants and lounges on the property offer Japanese, Western, Chinese and International cuisines. Amenities include a fitness centre, spa, swimming pool and 24-hour in-room dining.
